

# Page Html CSS

## Détails du projet

### Contexte

Le principe de ce TP était de partir d'une maquette graphique pour pouvoir faire la le site le plus ressemblant à la maquette qui est donné. Pour cela nous avons utilisé du HTML et du CSS pour la mise en page de cette page internet.

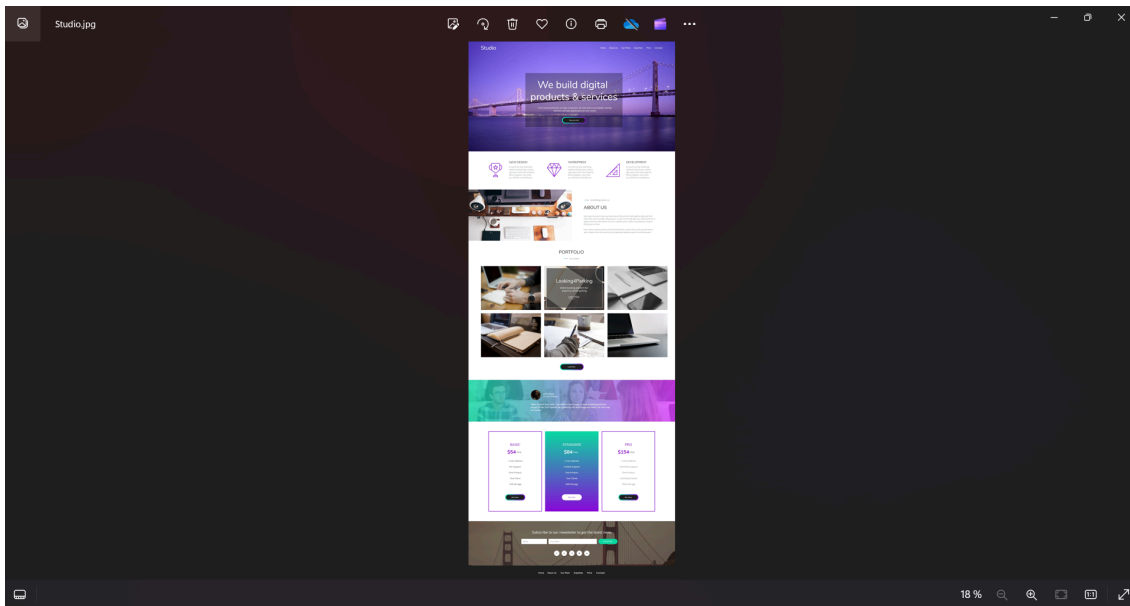

### Mission

La mission du TP était d'avoir la page la plus cohérente avec la maquette graphique.

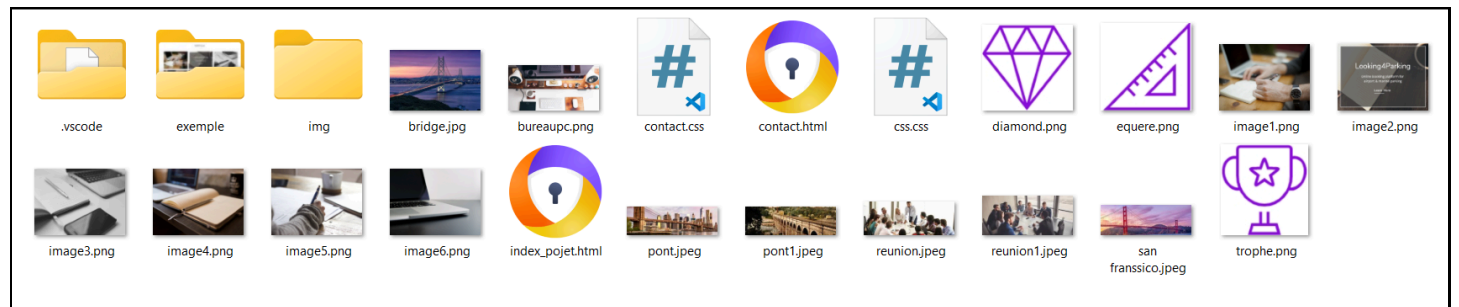

### Rendu

Le rendu de ce TP s'est effectué par l'envoi d'un dossier zip avec tout les fichiers et les images correspondantes au code.

## Images du projet

Maquette Graphique donnée en amont du projet.

Les différentes images fournies pour créer la page internet.

```
index_pojet.html X # css.css bridge.jpg
index_pojet.html > html > body > header#header > div.content > div.content2 > h2.float
2 <html lang="fr">
13 <body>
14 <header id="header">
24 <div class = "content">
29 <div class = "content3">
31 <br>creating websites and web application for our clients
32 </p>

```

## Partie de code du projet

### UI/UX DESIGN

Let you'll one had. Gathering  
replenish behold open  
subdue signs place hath meat  
image fly. Whose together.  
Over there you, fill herb set  
had likeness

### WORDPRESS

Let you'll one had. Gathering  
replenish behold open  
subdue signs place hath meat  
image fly. Whose together.  
Over there you, fill herb set  
had likeness

### DEVELOPMENT

Let you'll one had. Gathering  
replenish behold open  
subdue signs place hath meat  
image fly. Whose together.  
Over there you, fill herb set  
had likeness

Something about us

### ABOUT US

man signs moving of may may made above likeness kind fowl together hathered  
third their itself, earth void signs Thing water. To give fourth shall days stars.  
Male darkness, it appear them the there which fruit unto creepeth years subdue  
day bearing man given she'd grass so them

## La réalisation finale du projet
